The Royal Philatelic Society  
Medal of Lord Crawford.

I am glad to say the Council passed a resolution giving permission for a copy of The Crawford medal to be supplied to the American Numismatic Society providing the rim of the medal was engraved with words to the following effect:—

Specimen only for use of American Numismatic Society

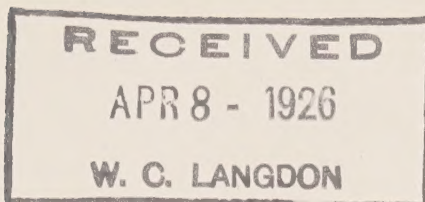

The Council considered it undesirable that copies should be given to any private individual except for the purpose for which they are struck, therefore I am sorry I cannot send you one for your own collection though it would have been a pleasure to accede to so complimentary a request. They have made the exception in the case of your Society relying on them to see that the copy supplied always remains in proper custody. The Hon Sec address is Herbert R. Oldfield Esq 36-37 Queen St London E.C.4. Perhaps you will acknowledge the permission to him.

My kindest regards  
Yours Sincerely  
Cecil Thomas

Dear Sir,

At the request of Mr Cecil Thomas we  
send you a specimen copy of the medal portrait  
of the late Lord Crawford, authorized to be sent  
you by the Royal Philatelic Society of London.  
A note of our charge is enclosed.

Yours faithfully,  
Thomas Son.

Regent Street, London, W.1

Gentlemen:

We received only the other day from Mr. William Chauncy Langdon the Royal Philatelic Society's medal, together with your bill for Two Guineas. We had no knowledge of this until we received it the other day, nor had we authorized the purchase of it. Nevertheless, as we find our name engraved on the medal, we are meeting this payment, and we have directed our bank to send you our cheque.

Very truly yours,

Curator
